**ASIST: Applied Suicide Intervention Skills-the world's leading suicide prevention
program <https://www.livingworks.net/asist>**

Attending this 2-day course will train you to intervene with an individual who is thinking about suicide.

It's about keeping a person "Safe For Now".

Applied Suicide Intervention Skills Training (ASIST) is a 2-day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone may have thoughts of suicide and work with them to create a plan that will support their immediate safety.

Although ASIST is widely used by healthcare providers, participants don't need any formal training to attend the workshop – anyone 18 or older can learn and use the ASIST model. 14 hrs of education credits.

This workshop is not recommended for people who have had a recent suicide loss. Presented by facilitators of:
